

## Prevention Goals

For youth:

- Create a climate where NON-USE is the norm.
- Delay the age of first use.
- Encourage youth to seek help at the earliest sign of difficulty.
- Help youth know the kinds of resources that are available

For adults:

- To encourage alcohol/drug free work environments.
- To help adults provide a positive example for youth.
- To encourage adults to form productive relationships with youth.

We believe prevention is a planned process of approaches and activities specifically designed to preclude the onset of alcohol and other drug abuse and/or addiction.

We are committed to an on-going process of working towards the development of a community-based, customer-service oriented, targeted, outcome driven and externally evaluated system of prevention services for the community we serve.

The following contribute to the Center's treatment and prevention services.

Ohio Department of Alcohol and Drug Addiction Services

Lake County Alcohol, Drug Addiction and Mental Health Services Board

Gauga County Board of Mental Health and Recovery Services

Lake & Geauga Counties United Way

United Way of Lake and Geauga Counties

### Mission Statement

Provide superior prevention, outpatient and residential services to individuals and families affected by alcoholism, substance abuse or mental health concerns, regardless of ability to pay and consistent with 12-step programs.

### Vision Statement

Our vision is to be an asset to the community by providing leadership and support for an addiction-free society.
